

Annex B – Comparison Between the OS ArcMap Layer File Styles and the MasterMap User Guide Styles

1. Topographic Area fills included in the ArcMap layer file that do not conform to the styles defined in the user guide.

Layer File Nonconiferous Tree Pattern	User Guide Nonconiferous Tree Pattern
	
 <p data-bbox="282 1473 767 1547">35m x 35m blocks containing 4 fill symbols</p>	 <p data-bbox="868 1473 1374 1547">50m x 50m blocks containing 12 fill symbols</p>

Layer File Orchard Fill

Natural Environment Fill +
Orchard Fill Symbol

User Guide Orchard Pattern

Natural Environment Fill
+ Orchard Fill Symbol

Layer File Mixed Woodland Fill

Separate Nonconiferous Trees and
Coniferous Trees Fill Symbols

User Guide Nonconiferous Trees and
Coniferous Trees Pattern

Compound Nonconiferous Trees and
Coniferous Trees Fill Symbols

Layer File Boulders Pattern

Shingle Fill + Boulder Fill Symbol

User Guide Boulders Pattern

Natural Environment Fill +
Boulders Fill Symbol

Layer File Rocks Pattern

Shingle Fill + Rocks Fill Symbol

User Guide Rocks Pattern

Natural Environment Fill +
Rocks Fill Symbol

Layer File Scree Pattern

Shingle Fill + Scree Fill Symbol

User Guide Scree Pattern

Natural Environment Fill +
Scree Fill Symbol

Layer File Shingle Fill

Shingle Fill

User Guide Shingle Pattern

Shingle Fill + Shingle Fill Symbol

Layer File Reeds Pattern

Tidal Water Fill + Saltmarsh Fill Symbol
(identical to Saltmarsh Fill)

User Guide Reeds Pattern

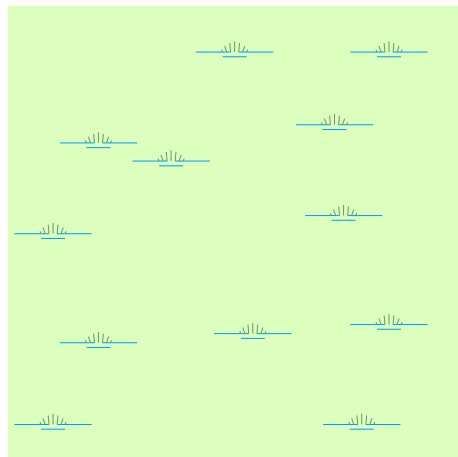

Tidal Water Fill + Reeds Fill Symbol

Layer File Marsh Pattern

Natural Environment Fill +
Saltmarsh Fill Symbol

User Guide Marsh Pattern

Natural Environment Fill +
Marsh Fill Symbol

Layer File Pylon Fill

Pylons are rendered using a different fill to other structures

User Guide Structure Fill

Fill used for all structures including pylons

Layer File Canal Fill

Identical to Inland Water Fill and Tidal Water Fill

User Guide Constructed Water Fill

Fill used for all constructed water features including canals

Layer File Sand Fill

User Guide Sand Pattern

Layer File Foreshore Fill

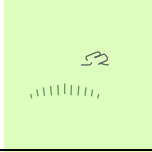

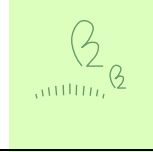

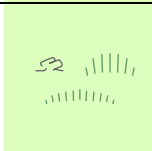

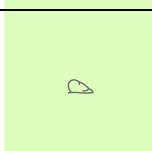

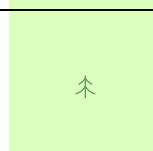

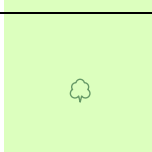

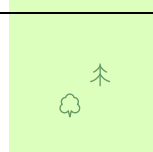

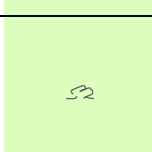

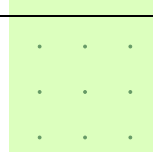

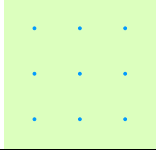

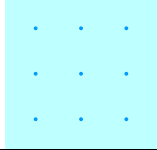

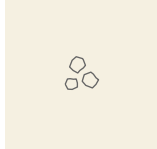

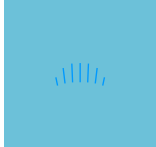

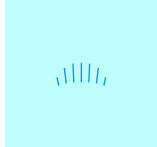

User Guide Foreshore Pattern

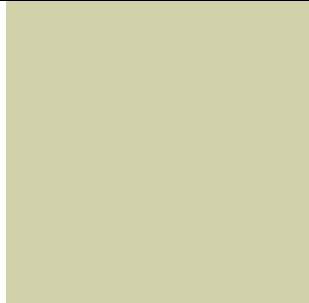

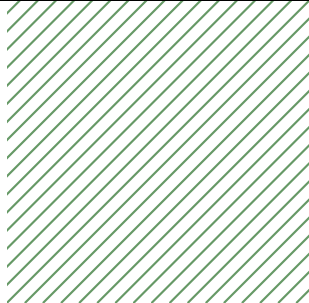

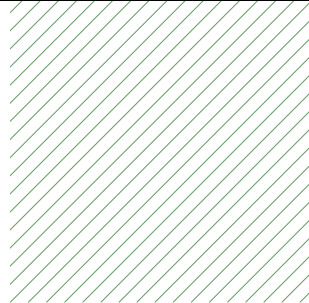

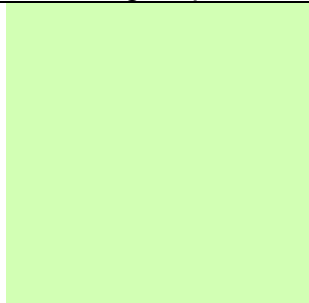

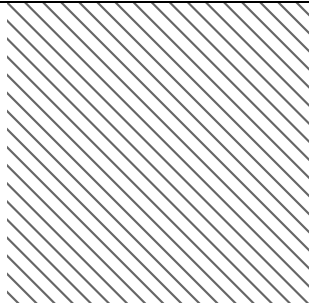

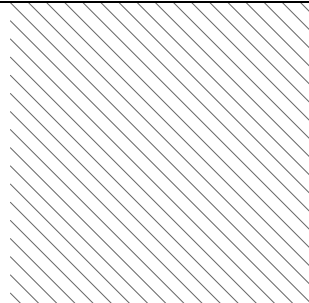

2. Topographic Area Patterns not included in the ArcMap layer file

Coniferous Trees and Scattered Rocks Pattern		Coniferous Trees and Scrub Pattern	
Heath and Scattered Rocks Pattern		Heath and Scrub Pattern	
Nonconiferous Trees and Coppice Pattern		Nonconiferous Trees and Scattered Rocks Pattern	
Nonconiferous Trees and Scrub Pattern		Rocks, Rough Grass and Boulders Pattern	
Rough Grass and Boulders Pattern		Rough Grass and Coniferous Trees Pattern	
Rough Grass and Heath Pattern		Rough Grass and Marsh Pattern	
Rough Grass and Nonconiferous Trees Pattern		Rough Grass and Rocks Pattern	
Rough Grass and Scattered Boulders Pattern		Rough Grass and Scattered Boulders Pattern	

Rough Grass and Scattered Rocks Pattern		Rough Grass and Scrub Pattern	
Rough Grass, Nonconiferous Trees and Coniferous Trees Pattern		Rough Grass, Nonconiferous Trees and Scrub Pattern	
Rough Grass, Scattered Nonconiferous Trees and Scrub Pattern		Rough Grass, Scattered Rocks and Boulders Pattern	
Rough Grass, Scattered Rocks and Heath Pattern		Rough Grass, Scattered Rocks and Scattered Boulders Pattern	
Scattered Coniferous Trees, Scattered Nonconiferous Trees and Scrub Pattern		Scrub and Scattered Nonconiferous Trees Pattern	
Scrub, Coniferous Trees and Nonconiferous Trees Pattern		Scrub, Nonconiferous Trees and Coppice Pattern	
Scattered Boulders Pattern		Scattered Coniferous Trees Pattern	
Scattered Nonconiferous Trees Pattern		Scattered Nonconiferous Trees and Scattered Coniferous Trees Pattern	
Scattered Rocks Pattern		Multi Vegetation Pattern	

Natural Environment Fill + Collects & Spreads Pattern		Tidal Water Fill + Collects & Spreads Pattern	
Mud Fill + Sand Pattern		Mud Fill + Shingle Pattern	
Constructed Water Fill + Reeds Pattern		Inland Water Fill + Reeds Pattern	

3. Landform Styles

Layer File Landform Styles		User Guide Landform Styles
 Landform Manmade Fill – manmade landform areas excluding slopes	 Slope Fill	 Manmade Landform Pattern – all manmade landform areas including slopes
 Landform Natural Fill – natural landform areas excluding cliffs	 Cliff Fill	 Natural Landform Pattern – all natural landform areas including cliffs

4. Topographic Line Styles

Layer File Standard Gauge Track

User Guide Standard Gauge Rail

Layer File		User Guide	
	Building Outline		Building
	Building Division		
	Building Overhead		Building Overhead
	Polygon Closing		Closing
	Property Closing		
	Default		Default
	General Surface Natural		
	Pylon		
	Step		Default Dashed
	Path		
	Road or Track		
	Edge		
	Historic Interest		
	Traffic Calming		

	Tunnel Edge		Default Underground	
	Landform Manmade		Landform	
	Landform Natural			
	Ridge or Rock			
	Bottom of Cliff			
	Bottom of Slope			
	Top of Cliff			
	Top of Slope			
	Narrow Gauge Track		Narrow Gauge Rail Alignment	
	Railway Buffer			
	Standard Gauge Track		Standard Gauge Rail	
	Line of Posts		Posts	
			Sea Defence	
	Overhead Construction		Structure Overhead	
	Inland Water		Water	
	Culvert			
	Drain			
	Mean High Water			Water Bold
	Mean Low Water			Water Dashed

5. Boundary Line Styles

	Layer File	User Guide
County stroke-dasharray – 2.0, 1.0 stroke-width – 0.4		
District stroke-dasharray – 1.5, 0.8 stroke-width – 0.3		
Electoral stroke-dasharray – 1.5, 0.5 stroke-width – 0.2		
Parish stroke-dasharray – 0.4, 0.8 stroke-width – 0.4		
Parliamentary stroke-dasharray – 1.8, 0.5 stroke-width – 0.4		

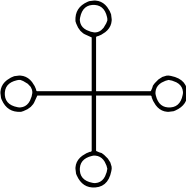

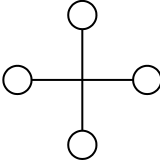

6. Topographic Point Symbols

Layer File Character Marker Symbol

User Guide SVG Symbol

Layer File Point Symbols		User Guide Point Symbols	
	Positioned Nonconiferous Tree		Positioned Nonconiferous Tree Symbol
	Positioned Coniferous Tree		Positioned Coniferous Tree Symbol
	Site Of Heritage		Heritage Site Of Symbol
	Triangulation Point Or Pillar		Triangulation Station Symbol

Layer File Point Symbols		User Guide Point Symbols	
	Spot Height		Spot Height Symbol
			Air Height Symbol
	Emergency Telephone		Emergency Telephone Symbol
	Boundary Post Or Stone		Boundary Post Symbol

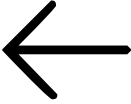

Layer File Point Symbols		User Guide Point Symbols	
	Roadside		Point Symbol
	Overhead Construction		
	Rail		
	Historic Interest		
	Structure		
	Landform		Landform Disused Symbol
			Positioned Boulder Symbol

Layer File Point Symbols		User Guide Point Symbols	
	Culvert		
	Inland Water		Water Point Symbol
	Tidal Water		
			Cave Symbol
			Cross Symbol
			Postbox Symbol
			Signal Symbol

7. Cartographic Symbol Styles

Layer File		User Guide	
	Direction of Flow		Flow Arrow
	Culvert		Culvert
	Boundary Half Mereing		Boundary Mereing Change

	Bench Mark		Bench Mark
	Road Related Flow		Road Flow
	Rail Switch		Railway Switch
